

ALL THAT IS WOMAN

The works of artists Ayman Gharaibeh and his wife Zeina Al Salti reveal a graceful, sensual and manifesting expression of the majestic power and beauty that is the essence of a woman. While Salti's paintings focus on the facial expressions, capturing their glow of innocence, sensuality, sadness and vibrancy, Gharaibeh's outlines the form and spirit of this sensuality – together their exhibition combines the magical strength, sensitivity, beauty and wisdom of all that is feminine. Their paintings reveal a rich and harmonious blend of colors where graceful and definite strokes evoke a memory and captivate a fleeting moment. The exhibition, held at Orient Gallery from October 14, showcases the appealing beauty that lies in the works of a partnership, marriage and union of harmonic expressions. ■
